Dear Sir:

This Amendment is submitted in response to the non-final office action dated February 11, 2004 in which the Examiner rejected claims 1-62 as anticipated (35 U.S.C. §102) or obvious (35 U.S.C. §103) in view of prior art. The Examiner further objected to certain claims and rejected other claims as indefinite (35 U.S.C. §112, par. 2). Applicants have amended the claims to overcome the objections and indefiniteness rejections. Applicants have further amended certain claims to further distinguish over the cited art and submit that all pending claims are patentable over the cited art and in condition for allowance.

Amendments to the Claims are reflected in the listing of claims which begins on page 2.

Remarks/Arguments begin on page 12.
